

**Congregation Beth El's
new & expanded
painless fund raiser!***

Ongoing Scrip for our favorite vendors!

* This does not change or in any way affect the grocery cards program – that will run as always!

HOW IT WORKS

You: Do the same shopping you have always done - on I-tunes, at Barnes & Noble or Borders, etc. (See the list - and the percentages we earn!) But you use our cards to pay for your purchases.

The Stores: Pay **us** a percentage of every dollar **you** spend.

Beth El: Makes more money for balancing the budget, keeping the lights on, or even (dare we say it) expanding our programming!

The margins on this program are not huge... The **only** way it works is if we take payment in full by cash or check in advance of placing the orders.

The Details:

Please review the attached vendor list, and let the office or Kathie Oberst know how much you would like to buy from each vendor by the **first Tuesday of each month.**

Your gift cards will be waiting for you at the office one week later.

How to Order: Contact the Beth El office: 203-838-2710

OR Kathie Oberst: koberst2001@yahoo.com

Deadline for orders is the first Tuesday of each month by 5 pm.
